

GLOBAL MAPPING

U.S. Census Bureau Subnational, International Population Maps and Data

Global subnational population mapping

- Age/sex data linked to administrative maps
- First, second, third administrative levels (below, left)
- Custom data and mapping on a reimbursable/contract basis
- Demographic base for Oak Ridge National Laboratory's Global LandScan gridded population map and USAID Population Explorer (below, right)

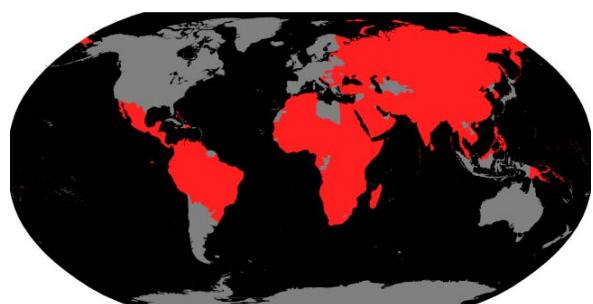

Please contact us for more information: pop.demobase.list@census.gov

Population Explorer website: <http://populationexplorer.com>

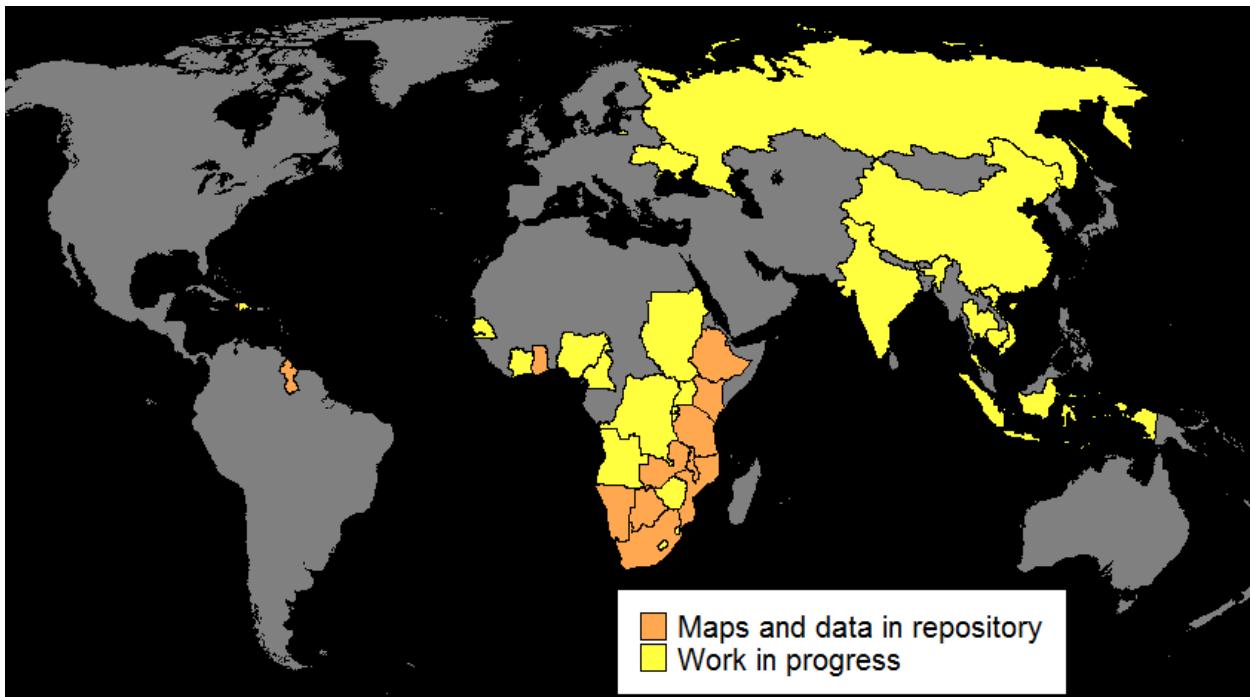

Technical assistance

- The Census Bureau provides census mapping and other assistance to countries worldwide

PEPFAR countries

- Subnational age/sex data linked to subnational maps
- Produced for President's Emergency Plan for AIDS Relief (PEPFAR)
- Available on PEPFAR's HIV Spatial Data Repository

Visit the [HIV Spatial Data Repository](http://www.hivspatialdata.net) website: <http://www.hivspatialdata.net>
